

Integrated Fixed Facility Radiological and Chemical Protection Plan  
**APPENDIX 4**  
**NUREG O654 CROSS REFERENCE**

Guide to Abbreviations

|                           |   |
|---------------------------|---|
| Annex                     | Annex   |
| APP                       | = Appendix  |
| B                         | = Benton County Plan and Procedures                               |
| BP                        | = Basic Plan  |
| CEMP                      | = Washington State Comprehensive Emergency Management Plan        |
| DO                        | = Emergency Management Division Duty Officer Procedures           |
| DOH                       | = Department of Health Procedures                                 |
| EOP                       | = Emergency Management Division Emergency Operations Plan         |
| ESF                       | = CEMP Emergency Support Function                                 |
| F                         | = Franklin County Plan and Procedures                             |
| FIG                       | = Figure  |
| LO                        | = Licensee Only (Not required for offsite response organizations) |
| WSDA                      | = Washington State Department of Agriculture Procedures           |
| Letter followed by number | = Subparagraph within a section                                   |
| Roman Numerals            | = Sections in BP or Annexes                                       |
| EXAMPLE:                  | "BP-IV-C" = "Basic Plan, Section IV, Subparagraph C."             |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| Planning Standards and Evaluation Criteria  |  | Plan Reference                        | EMD Procedure  |
|---|--|---------------------------------------|--|
| A. Assignment of Responsibility             |  |                                       |  |
| 1a.   | Identify state local, federal, and private response organizations for EPZs.  | BP-page 1, VII; Annex B-page 1; APP 2 | N/A  |
| 1b.   | Concept of operations, and relationship to total effort.   | BP-IV & V; Annex B-IV & V             | N/A  |
| 1c.   | Organizational interrelationship block diagram.  | BP-FIG 2, 3                           | N/A  |
| 1d.   | Individual in charge of emergency response.  | BP-IV-A 2                             | N/A  |
| 1e.   | 24-hour emergency response and manning of communication links.   | BP-VII-H-1-d; CEMP-ESF-2, Appx 1      | EOP; A3-6; A-8; A-11, A-12; A-21; Annex F; D53-71                    |
| 2a.   | Functions and responsibilities for major elements and key individuals by title, of emergency response. Summary table showing primary and support responsibilities. | BP-VI, VII & Fig 1; Annex B-VI        | N/A  |
| 2b.   | Legal basis for organizational authorities.  | BP-II-A                               | N/A  |
| 3.  | Support information, e.g., MOUs, MOAs, etc.  | BP-I-E-3 APP 2                        | N/A  |
| 4.  | Individual and organization responsible for assuring continuity of resources to support 24-hour operations.  | BP-VII-H-1-d;                         | EOP; A3-6; A-8; A-11, A-12; A-21; Annex F A-11; A-20; D-169 D171-203 |
| B. Onsite Emergency Organization            |  | LO                                    |  |
|   |  |                                       |  |
| C. Emergency Response Support and Resources |  |                                       |  |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| Planning Standards and Evaluation Criteria |  | Plan Reference  | EMD Procedure |
|--|--|---|---------------|
| 1a.  | Specific persons by title authorized to request federal assistance.                    | BP-VII-F-11; BP-VII-H-1-c; VII-C-7  | N/A           |
| 1b.  | Federal resources expected, including times of arrival.                                | BP-VII-V-Z, AA, AB, AE, Annex B-APP 1; DOH (see Appx F, cross ref.)   | N/A           |
| 1c.  | Licensee, state, and local resources available to support the federal response.        | BP-I-D; Annex B-III & IV BP-APP 2; DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
| 2a.  | Dispatch of offsite representatives to the EOF.  | BP-IV-B-1; DOH (see Appx F, cross ref.)   | N/A           |
| 3.   | Radiological laboratories, capabilities, and availability.                             | BP-VII-F-2g; BP-Annex B; DOH (see Appx F, cross ref.)   | N/A           |
| 4.   | Assisting facilities, organizations, individuals, and supporting letters of agreement. | BP-I-E-3; BP-VII, APP 2; DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.)           | N/A           |
| <b>D. Emergency Classification System</b>  |  |   |               |
| 1. & 2.                                    | Not required for offsite response organizations.                                       | LO  | N/A           |
| 3.   | ECL and EAL scheme consistent with licensee.   | Annex A-APP 2;  | N/A           |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| Planning Standards and Evaluation Criteria    |  | Plan Reference   | EMD Procedure                                   |
|---|--|--|---|
|   |  | Annex A-APP 6  |   |
| 4.  | Emergency action procedures consistent with emergency actions recommended by licensee. | Annex A; APP-2; DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.); WSDA (see Annex F, cross ref.) | DO; C-4, C-6; C-7; C-18; C-20; G-25             |
| <b>E. Notification Methods and Procedures</b> |  |  |   |
| 1.  | Organizational notification procedures, to include means of verification of messages.  | BP-IV-A-1; Annex B-IV-C-2;   | DO; C4; C18; G-25                               |
| 2.  | Procedures for alerting, notifying, and mobilizing emergency response personnel.       | BP-IV-C-3; BP-V;   | DO; C-4, C-6; C-7; c-17; C-18; C-20; G-21; G-25 |
| 3. & 4.                                       | Not required for offsite response organizations.                                       | LO   | N/A   |
| 5.  | System to disseminate public information, including EAS.                               | BP-V-A-5-g; B; F; Annex A-IV-A-4   | DO; C-4A; G-21; G-25                            |
| 6.  | Plume EPZ notification means and times.  | Annex A-IV-A; B; F; Annex B-IV-C3;   | N/A   |
| 7.  | Draft messages giving the public instructions with regard to protective actions.       | APP 2; IV. E. 1; IV. F. 1; CEMP; ESF-2; B (see Section 10, cross ref.); F (see Section IX, cross ref.);                                      | N/A   |
| <b>F. Emergency Communications</b>            |  |  |   |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| <b>Planning Standards and Evaluation Criteria</b> |  | <b>Plan Reference</b>  | <b>EMD Procedure</b>   |
|---|--|--|--|
| 1a.   | 24-hour per day notification and activation of state/local emergency response network—minimum of telephone and alternate, including 24-hour per day manning of communication links to initiate emergency response actions. | BP-IV-B-1-c;<br>BP-VII-H-1-d;<br>CEMP; Annex B-VII-F; ESF-2 App 1; B (see Section 10, cross ref.); F (see Section IX, cross ref.); | DO; C-4; G-1; G-4; G-5; G-6; G-7; G-21; G-25                         |
| 1b.   | Provision for communications with contiguous state/local governments within the EPZs.  | BP-IV-B-1-c;<br>BP-IV-C-1 & 2  | DO; C-4  |
| 1c.   | Provision for communications with federal EROs.  | ESF-2;   | EOP; A-11; A-20; D-169 D171-203                                      |
| 1d.   | Provision for communications with licensee and EOF, state and local EOCs, and radiological monitoring teams.   | BP-IV-B-1;<br>Annex B-IV C;<br>Annex B-V-A-3;<br>Annex B-VII-I;<br>ESF-2; DOH (see Appx F, cross ref.)                             | EOP; A3-6; A-8; A-11, A-12; A-21; Annex F A-11; A-20; D-169 D171-203 |
| 1e.   | Provision for alerting or activating emergency personnel in each ERO.  | BP-V-A & Fig 4;  | DO, C-4; EOP; A3-6; A-8; A-11, A-12; A-21; Annex F                   |
| 1f.   | Not required for offsite response organizations.   | LO   | N/A  |
| 2.  | Coordinated communications link for fixed and mobile medical support facilities.   | B (see Section 10, cross ref.); F (see Section IX, cross ref.);  | N/A  |
| 3.  | Periodic testing of the entire emergency communications system.  | Annex D-IV-C   | N/A  |
| <b>G. Public Education and Information</b>        |  |  |  |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| Planning Standards and Evaluation Criteria   |   | Plan Reference  | EMD Procedure               |
|--|---|---|-----------------------------|
| 1.   | Periodic (at least annually) dissemination of information to the public regarding notification and emergency actions. | BP-IV.1; BP-Annex B-V1.B.1; BP Annex C-IV.B; Annex C-IV-B; CEMP-APP 2-Tab A-V-A-7 | N/A                         |
| 2.   | Plume exposure EPZ annual information for permanent and transient populations.  | PB-Annex-APP 7  | N/A                         |
| 3a.  | Points-of-contact and location for emergency media use.   | CEMP, APP 2 BP-IV.B.1.f   | N/A                         |
| 3b.  | Not required for offsite response organizations.  | LO  | N/A                         |
| 4a.  | Designated spokesperson with access to all necessary information  | BP-V-A-1-e; Annex A.IV.A-4; CEMP, APP 2   | N/A                         |
| 4b.  | Arrangements for timely exchange of information among designated spokespersons.                                       | BP-V-A-1-e; Annex A.IV.A-4; CEMP, APP 2   | N/A                         |
| 4c.  | Coordinated rumor control.  | BP-V-A-1-e; BP-V-A-5.g; -e; Annex A.IV.A-4; CEMP, APP 2                           | N/A                         |
| 5.   | Annual media orientation.   | CEMP, APP 2   | N/A                         |
| <b>H. Emergency Facilities and Equipment</b> |   |   |                             |
| 1. & 2.                                      | Not required for offsite response organizations.  | LO  | N/A                         |
| 3.   | EOC for directing and controlling response functions.   | BP-IV-B1-c; BP-VII-H-1a; Annex B-VII-F;   | EOP; A17; D5-51             |
| 4.   | Timely activation and staffing of facilities and centers.   | Annex B-VII-F; B (see Section 10, cross ref.); F (see Section IX, cross ref.);    | EOP; A-3; A-11; A-21; C1-71 |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| <b>Planning Standards and Evaluation Criteria</b> |   | <b>Plan Reference</b>   | <b>EMD Procedure</b> |
|---|---|---|----------------------|
| 5. & 6.   | Not required for offsite response organizations.  | LO  | N/A                  |
| 7.  | Offsite radiological monitoring equipment near facility.  | DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.); | N/A                  |
| 8. & 9.   | Not required for offsite response organizations.  | LO  | N/A                  |
| 10.   | Inspect, inventory, and operationally check emergency equipment/instruments at least once each calendar quarter and after each use. | DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.); | N/A                  |
| 11.   | Appendix identifying category of emergency kits.  | DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.); | N/A                  |
| 12.   | Central point for receipt and analysis of all field monitoring data and coordination of sample media.                               | DOH (see Appx F, cross ref.);   | N/A                  |
| <b>I. Accident Assessment</b>                     |   |   |                      |
| 1.-6.   | Not required for offsite response organizations.  | LO  | N/A                  |
| 7.  | Capability and resources for field monitoring within the plume exposure EPZ.  | DOH (see Appx F, cross ref.);   | N/A                  |
| 8.  | Methods, equipment and expertise to make rapid assessments of radiological hazards through liquid or gaseous release pathways.      | DOH (see Appx F, cross ref.);   | N/A                  |
| 9.  | Capability to detect and measure radioiodine in air in the plume exposure EPZ.  | DOH (see Appx F, cross ref.);   | N/A                  |

## APPENDIX 4

### NUREG 0654 CROSS REFERENCE

| Planning Standards and Evaluation Criteria |   | Plan Reference  | EMD Procedure |
|--|---|---|---------------|
| 10.  | Establish means for relating measured parameters to dose rates for key isotopes and gross radioactivity measurements.   | DOH (see Appx F, cross ref.);   | N/A           |
| 11.  | Arrangements to locate and track the airborne radioactive plume using either federal and/or state resources.  | DOH (see Appx F, cross ref.);   | N/A           |
| <b>J. Protective Response</b>              |   |   |               |
| 1.   | Not required for offsite response organizations.  | LO  | N/A           |
| 2.   | Evacuation routes and transportation for onsite personnel to offsite locations, including alternatives for inclement weather, high traffic density, and specific radiological conditions. | BP-VII-N-10, 12, O-10, 12; Y-4; W; Annex A-Appendix 5; B; F   | N/A           |
| 3.-8.                                      | Not required for offsite response organizations.  | LO  | N/A           |
| 9.   | Implementation of protective measures based on PAGs, PARs, PADs, and other criteria.  | Annex B-V-A1<br>DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.);       | EOP; D5-51    |
| 10.  | Plans to implement protective measures for the plume exposure pathway EPZ include:  | BP-A-22   | N/A           |
|  | a. Maps showing evacuation routes, evacuation areas, selected radiological sampling and monitoring points, EWACs, and shelter areas.  | BP-Annex A-Appendix 5; DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
|  | b. Maps showing population distribution around facility, by evacuation areas.   | BP-Annex A-Appendix 5; B (see Section 10, cross ref.); F  | N/A           |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| Planning Standards and Evaluation Criteria |   | Plan Reference   | EMD Procedure |
|--|---|--|---------------|
|  |   | (see Section IX, cross ref.)   |               |
|  | c. Means for notifying all segments of the transient and resident population.   | Annex B-IV-C3, Annex B-VII-M; B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
|  | d. Means for protecting those persons whose mobility may be impaired due to such factors as institutional or other confinement.   | Annex B-IV-C3; B (see Section 10, cross ref.); F (see Section IX, cross ref.)                | N/A           |
|  | e. Provision for use of radioprotective drugs for emergency workers and institutionalized persons within the plume exposure EPZ – including quantities, storage, and means of distribution. | Annex B-II-D; Annex B-IV.C.3 Annex B-V-A-2; DOH (see Appx F, cross ref.);                    | N/A           |
|  | f. Decision process by State Health Officer for administering radioprotective drugs to the general population, and the conditions for use of such drugs by offsite emergency workers.       | Annex B-II-D; Annex B-V-A-2; DOH (see Appx F, cross ref.);                                   | N/A           |
|  | g. Means of relocation.   | B (see Section 10, cross ref.); F (see Section IX, cross ref.)                               | N/A           |
|  | h. Relocation centers - at least five miles, and preferably 10 miles beyond boundaries of plume exposure EPZ.   | Annex B-VII-G; B (see Section 10, cross ref.); F (see Section IX, cross ref.)                | N/A           |
|  | i. Projected traffic capabilities of evacuation routes under emergency conditions.  | B (see Section 10, cross ref.); F (see Section IX, cross ref.)                               | N/A           |

## APPENDIX 4

### NUREG 0654 CROSS REFERENCE

| Planning Standards and Evaluation Criteria |   | Plan Reference  | EMD Procedure |
|--|---|---|---------------|
|  | j. Access control to evacuated areas and organization responsibilities for such control.  | B (see Section 10, cross ref.); F (see Section IX, cross ref.)  | N/A           |
|  | k. Identification of, and means for, dealing with potential impediments (e.g., seasonal impassibility of roads) to use of evacuation routes and contingency measures. | B (see Section 10, cross ref.); F (see Section IX, cross ref.)  | N/A           |
|  | l. Time estimates for evacuation of various sectors and distances for the plume exposure EPZ.   | B (see Section 10, cross ref.); F (see Section IX, cross ref.)  | N/A           |
|  | m. Bases for choice of PARs for plume exposure pathway during emergency conditions.   | DOH (see Appx F, cross ref.);   | N/A           |
| 11.  | Ingestion exposure pathway protective measures.   | BP-V-B-1-e; Annex B-V-B; Annex C; DOH (see Appx F, cross ref.); WSDA (see Annex F, cross ref.)              | N/A           |
| 12.  | Registration and monitoring of evacuees at EWACs.   | Annex B-VII-G; DOH (see Appx F, cross ref.); B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
| <b>K. Radiological Exposure Control</b>    |   |   |               |
| 1.-2.                                      | Not required for offsite response organizations.  | LO  | N/A           |
| 3a.  | Provisions for 24-hour-per-day dose determination for emergency personnel – distribution of dosimeters.   | Annex B-VI-A; DOH (see Appx F, cross ref.);   | N/A           |

## APPENDIX 4

### NUREG 0654 CROSS REFERENCE

| Planning Standards and Evaluation Criteria                           |  | Plan Reference   | EMD Procedure |
|--|--|--|---------------|
| 3b.  | Ensure dosimeters are read at appropriate frequencies and maintain dose records for emergency workers.   | Annex B-VI-A; DOH (see Appx F, cross ref.);  | N/A           |
| 4.   | Decision chain authorizing emergency workers to incur exposures in excess of PAGs.   | Annex B-VI-A-5; DOH (see Appx F, cross ref.);  | N/A           |
| 5a.  | Action levels for determining need for decontamination.  | Annex B-VII-G-3; DOH (see Appx F, cross ref.);                                       | N/A           |
| 5b.  | Means for radiological decontamination of emergency personnel wounds, supplies, instruments and equipment, and for waste disposal.               | Annex B-VII-E; APP 2; DOH (see Appx F, cross ref.);                                  | N/A           |
| 6.-7.  | Not required for offsite response organizations.   | LO   | N/A           |
| <b>L. Medical and Public Health Support</b>                          |  |  |               |
| 1.   | Local and backup hospital and medical services to evaluate radiation exposure and uptake.  | Annex B-VII-E; APP 2; B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
| 2.   | Not required for offsite response organizations.   | LO   | N/A           |
| 3.   | List of hospitals and other emergency medical services facilities capable of providing medical support for contaminated and injured individuals. | Annex B-VII-E; APP 2; B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
| 4.   | Arrange for transport of victims of radiological accidents to medical support facilities.  | B (see Section 10, cross ref.); F (see Section IX, cross ref.)                       | N/A           |
| <b>M. Recovery and Reentry Planning and Post-Accident Operations</b> |  |  |               |

## APPENDIX 4

### NUREG 0654 CROSS REFERENCE

| Planning Standards and Evaluation Criteria |  | Plan Reference   | EMD Procedure |
|--|--|--|---------------|
| 1.   | Plans and procedures for reentry and recovery and decision process for relaxing protective measures.   | BP-V-B,C, VII-F; ESF-21  | N/A           |
| 2.   | Not required for offsite response organizations.   | LO   | N/A           |
| 3.   | Means for informing members of response organizations a recovery operation is to be initiated, and of changes in organizational structure.   | BP-IV-A-3; Annex A-IV-A-4; ESF-21                                  | N/A           |
| 4.   | Method for periodically estimating total population exposure.  | DOH (see Appx F, cross ref.);                                      | N/A           |
| <b>N. Exercises and Drills</b>             |  |  |               |
| 1a.  | Emergency Preparedness exercises shall simulate an emergency resulting in offsite radiological releases requiring response by offsite response organizations.  | Annex D-IV-D-1-a   | N/A           |
| 1b.  | Exercise shall mobilize state and local resources adequate to verify response capability. Provide for critiques of exercise by federal and state evaluators/ observers. Complete six-year exercise cycle.  | Annex D-IV-D-1-a   | N/A           |
| 2a.  | <u>Communication Drills</u> shall be conducted monthly, with state and local governments in plume exposure pathway EPZ; quarterly, with federal and states in ingestion pathway EPZ; annually, with nuclear facility, state and local EOCs, and field assessment teams. Drills shall also include aspect of understanding the content of messages. | Annex D-IV-C-2-a; DOH (see Appx F, cross ref.);                    | DO: C-4       |
| 2b.  | Not required for offsite response organizations.   | LO   | N/A           |
| 2c.  | <u>Medical Emergency Drills</u> shall be conducted annually.   | Annex D-IV-C-2-b; DOH (see Appx F, cross ref.); B (see Section 10, | N/A           |

## APPENDIX 4

### NUREG 0654 CROSS REFERENCE

| Planning Standards and Evaluation Criteria         |  | Plan Reference                                  | EMD Procedure |
|--|--|---|---------------|
|  |  | cross ref.); F (see Section IX, cross ref.)     |               |
| 2d.  | <u>Radiological Monitoring Drills</u> shall be conducted annually for onsite and offsite organizations.  | Annex D-IV-C-2-c; DOH (see Appx F, cross ref.); | N/A           |
| 2e.  | <u>Health Physics Drills</u> shall be conducted semi-annually.   | Annex D-IV-D-2-d; DOH (see Appx F, cross ref.); | N/A           |
| 3.   | Exercise scenarios will include, but not be limited to:  | Annex D-IV-D                                    | N/A           |
|  | a. Objectives and evaluation criteria for drills and exercises.  | Annex D-IV-D                                    | N/A           |
|  | b. Dates, time period, places, and participating organizations.  | Annex D-IV-D.1.b                                | N/A           |
|  | c. Simulated events.   | Annex D-IV-D                                    | N/A           |
|  | d. Time schedule of real and simulated initiating events.  | Annex D-IV-D                                    | N/A           |
|  | e. Narrative summary of activities.  | Annex D-IV-D                                    | N/A           |
|  | f. Description of arrangements for and advance materials to be provided to official observers.   | Annex D-IV-D.1.c                                | N/A           |
| 4.   | Official observers from federal, state, or local governments will observe, evaluate, and critique the required exercises.                                    | Annex D-IV-D                                    | N/A           |
| 5.   | Means for evaluating observer and participant comments on areas needing improvement. Management control needed to ensure corrective actions are implemented. | Annex D-IV-D-11                                 | N/A           |
| <b>O. Radiological Emergency Response Training</b> |  |   |               |
|  |  |   |               |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| Planning Standards and Evaluation Criteria |  | Plan Reference  | EMD Procedure |
|--|--|---|---------------|
| 1.   | Appropriate people will be trained.  | Annex D-IV-B  | N/A           |
| 1a.  | Not required for offsite response organizations.   | LO  | N/A           |
| 1b.  | Each offsite ORO shall participate and receive training.   | Annex D-IV-B  | N/A           |
| 2.-3.                                      | Not required for offsite response organizations.   | LO  | N/A           |
| 4.   | Instruct and qualify personnel to implement REP plans. Specialized initial and periodic retraining programs shall be provided in following categories: | Annex D-IV-B  | N/A           |
|  | a. Directors or coordinators of ERO.   | Annex D-IV-B  | N/A           |
|  | b. Accident assessors.   | Annex D-IV-B;<br>DOH (see Appx F, cross ref.);                                  | N/A           |
|  | c. Radiological monitoring teams and radiological analysts.  | Annex D-IV-B;<br>DOH (see Appx F, cross ref.);                                  | N/A           |
|  | d. Police, security, and firefighting personnel.   | Annex D-IV-B  | N/A           |
|  | e. Not required for offsite response organizations.  | LO  | N/A           |
|  | f. First aid and rescue personnel.   | Annex D-IV-B;<br>B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
|  | f. Local support services personnel including emergency services.  | Annex D-IV-B;<br>B (see Section 10, cross ref.); F (see Section IX, cross ref.) | N/A           |
|  | h. Medical support personnel.  | Annex D-IV-B  | N/A           |
|  | i. Not required for offsite response organizations.  | LO  | N/A           |

**APPENDIX 4**  
**NUREG 0654 CROSS REFERENCE**

| Planning Standards and Evaluation Criteria   |   | Plan Reference                | EMD Procedure |
|--|---|-------------------------------|---------------|
|  | j. Personnel responsible for transmission of emergency information and instructors.   | Annex D-IV-B                  | N/A           |
| 5.   | Initial and annual retraining of personnel with emergency response responsibilities.  | BP, APP 4<br>Annex D-IV-B     | N/A           |
| <b>P. Responsibility for the Planning Effort: Development, Periodic Review and Distribution of Emergency Plans</b> |   |                               |               |
| 1.   | Train persons responsible for the planning effort.  | BP-VII-H-1-a                  | N/A           |
| 2.   | Identify by title the individual with overall authority and responsibility for radiological emergency response planning.  | BP-VII-H-1-b                  | N/A           |
| 3.   | Designate an Emergency Planning Coordinator with responsibility for the development and updating of emergency plans and coordinating these plans with other response organizations. | BP-VII-H-1-f                  | N/A           |
| 4.   | Update plans and agreements as needed, review and certify to be current on an annual basis.   | BP-I-E, VII-H-1-f             | N/A           |
| 5.   | Forward emergency response plans and changes to all organizations and appropriate individuals with responsibility for implementing the plans. Date and mark revised pages.          | BP-I-E-2; APP 5               | N/A           |
| 6.   | Include list of supporting plans and their source.  | BP APP 3                      | N/A           |
| 7.   | Include, as an appendix, a listing of procedures required to implement the plan.  | BP APP3,<br>Appendix 6-11-C.1 | N/A           |
| 8.   | Include a table of contents and a cross-reference to the requirements of NUREG-0654 as an appendix.   | BP, APP 4                     | N/A           |
| 10.  | Update emergency telephone numbers at least quarterly.  | BP-I-E                        | N/A           |
